Re: June 17th Board Meeting in Camden
Date: 6/3/87

Aspira of Camden is "on the move"!!! The Camden County Freeholders have awarded ASPIRA a \$10,000 start up grant.

In addition we have secured space, telephone clerical assistance and computer access as an in-kind contribution from Gloucester State College. Finally, Rutgers School of Social Work-Camden will provide a graduate intern for the upcoming academic year to work with ASPIRA.

We are at a very pivotal point in our goal to expand ASPIRA's program in South Jersey. Therefore it is critical that we have a good showing in Camden. We did not have quorum at the May 20th Board meeting, which means we will have to expedite the action items from that agenda at our June 17th meeting.

I am asking Carolan Hernandez who had Finance action items to send the information to Board members in advance to avoid long discussions.

I have asked Maria Tinscrroeds to send under this cover the following items:

- 1) The Previous Board minutes for approval
- 2) The Executive Director's report (May 20th)
- 3) Copies of the resume of Wanda Garcia which was submitted by the Friends of ASPIRA of Camden as the candidate they wish to represent Camden on the Board.

Please bring these items with you to the Board Meeting

- 4) Discussions to Gloucester State College - Camden Campus. In addition, I ask that you send copies of any resume of candidates you would like to nominate for the Board to all Board members and the Executive Office in advance of the Board meeting so that we can review them in advance. ASPIRA is not responsible for the content of the resumes.

Timeline of Board meetings will be the major agenda item

The meeting will be from 6:00 - 7:30 p.m. We need to start on time because the Friends of ASPERA are hosting a short reception at 7:30 p.m. the purpose of this reception is for the community at large to meet us and to celebrate a new chapter in the ASPERA movement.

The meeting will be held at 6:00 p.m. sharp at:

Glenshire State College
Camden Campus
Broadway and Federal Streets
6th Floor - Room 600
(609) 713-~~2835~~

Directions are enclosed for your convenience.

The Reception will be held in the 1st floor Lounge at 7:30 p.m.

This is the last meeting of the Program year. Unless someone has a very critical emergency, I hope that everyone will make every effort to be there. Also please give us the courtesy to notify the Executive Office if you absolutely can't make it.

I look forward to see you at this historic event.
